# Get Wrecked Weekend!

**Only  
\$275**

Dive some of the best sites that the South-west has to offer.

Over two days we'll dive Four Mile Reef, the Busselton Jetty and Dunsborough's Swan Wreck.

Busselton Jetty is one of the Australia's best dive sites. The coral growth and massive schools of fish are truly amazing.

The Swan Wreck is coming up to it's 10 year anniversary. Since its scuttling the wreck has become home to a mass of globe fish and bat fish. Occasionally Hump-backed whales rub along the wreck to remove the barnacles from their flanks.
